Explorers of Nature Series at Pleasant Hill Lake Park

2016-06-22 19:47:43 by Event_Editor

Explorers of nature Series at Pleasant Hill Lake Park offers kids, ages 4-16, to discover the nature around us!

Visitors will meet at the welcome Center. Cost is $5 per person or $30 for all eight sessions through August 6. Registration is required.

June 25 - Feathered Friends (kids will learn about Ohio's birds and make a birdfeeder to take home)

July 2 - Magnificent Mammals (kids will learn about Ohio's mammals and make a squirrel feeder to take home)

July 9 - Frogs, Turtles, and Toads, Oh My! (kids will learn about Ohio's reptiles and amphibians, then make a toad house to take home)

July 16 - Creepy Crawlies (kids will learn about Ohio's insects and make a mason bee box to take home)

July 23 - Plant Palooza (kids will learn about Ohio's plants and plant a wildflower seed to take home)

July 30 - Water World (kids will learn about the water cycle and make a terrarium to take home)

August 6 - Campfire Adventures (kids will learn about campfire building and cooking, then make tasty treats to enjoy by the fire)
