Tonight Friday July 1st the American Federation of Musicians Local 159 Concert Band will dedicate the new Mansfield South Park Pavilion at 7PM with President of Council and Acting Mayor Phil Scott presiding.

The Concert Band will present a program entitled the melting pot, incorporating the phrase E Pluribus Unum “Out of many,one” in a musical setting. In addition to many patriotic selections, there will be numerous songs that will be familiar to all that our immigrants brought with them that add to the rich heritage of our country.
