All Souls Unitarian Universalist Church at 25 Church Street in Bellville, Ohio is offering a public screening of Dream On with John Fugelsang.

Join us for a public gathering of this timely documentary.

DREAM ON investigates the perilous state of the American Dream after decades of rising income inequality and declining economic mobility. In an epic road trip, political comedian John Fugelsang retraces the nearly two hundred-year-old journey of Alexis de Tocqueville.

Along the way he explores whether the optimistic spirit of the American Dream that Tocqueville popularized is alive and well in the twenty-first century, or whether George Carlin was right when famously quipped "It's called the American Dream because you have to be alseep to believe it."
