The Color Riot 5K returns to Plymouth Ohio August 6th!

This year the Color Riot 5K will be held in the center of town as the sun sets the party will begin!

DJ K Touch will be on hand getting the crowd fired up to run (and dance). Also back by popular demand is the giant 100 foot slip n slide! Expect tons of UV glow paint being sprayed on you, plenty of neon colors, plenty of LED lights and of course dancing . This will all take place at night which makes it even more fun!
