Artist Talk & Reception: Wednesday, August 24 from 12:35 – 1:30 pm

Surface Tension is an exhibition of photographs by Terri Warpinski that examines landscape as trace of socio-cultural interaction. Three landscapes of division will be explored: the US-Mexico borderland, the Israeli-Palestinian separation barrier along the Green Line, and the trace of the former wall throughout present day Berlin.

Through her photographs, Warpinski extends an invitation to pay attention, to reflect, to learn, and to examine how we establish and rationalize power. Warpinski is a Professor of Art at the University of Oregon and was a Fulbright Scholar in Israel from 2000-2001. For more information, visit [her website](#).

Gallery Hours are Monday-Thursday 11AM - 4PM and Friday 11AM - 1PM
