

Warren Rupp Observatory throws Hidden Hollow Star Party

2016-09-19 13:58:32 by Event_Editor

The Warren Rupp Observatory joins the Night Sky Network and offers a Hidden Hollow Star Party from Thursday, 9/29/2016 - Sunday, 10/2/2016

Families are always welcome and there is never a charge. Public nights are always on the first Saturday of every month and you may check our website for additional programs offered during the month.

Please remember the road to the Observatory is on private property and to take care while driving.

Visitors to the Observatory are restricted to the Observatory area and restroom facilities and a warm room is available. Please be sure to dress for the weather! Our activities happen outdoors and the telescope facilities and dome area is not heated.

For more information visit the event page [here](#).
