Christmas at Kingwood Center

2016-12-06 01:09:59 by Event_Editor

Until December 30th, every Thursday through Sunday from 2-8PM come experience the Kingwood tradition first hand!

This year, each room of Kingwood Hall will be decorated to depict various Christmas Carols. Our popular Walk of Trees will be in its glory with the participation of many local businesses showing their Holiday spirit.

Your experience will start with the beginning of our Christmas light display as you enter Kingwood Center through the Trimble Rd. gates. After parking, you can start your leisurely walk to view the rest of our Christmas at Kingwood light display as you walk along the pedestrian path leading up to Kingwood Hall and the brick walkway leading to the Greenhouse.

Don't forget to stop in the Exhibit Hall to view the Walk of Trees created by local businesses. If that were not enough, Kingwood Hall will have live music every night of Christmas at Kingwood. Every Saturday night, enjoy roasting a smore by campfire, and of course the Kingwood tradition would not be complete without daily live music and thousands of lights on the property!

Admission is $5.00 per person. Members and Volunteers ALWAYS free! Children 6 and under free.
