

Crawford Park District Presents Rock n' Fossil Day

2017-01-19 17:15:32 by MelissaH0243

The Nature Center will be rockin'! The Crawford Park District invites you to stop by to see various rock, mineral, and gem displays from local collectors and members of the Richland Lithic and Lapidary Society this Saturday, January 21st 2017 from
11:00 am - 2:00 pm

The Crawford Park District is also partnering with the Ohio History Connection. Ohio History Connection is providing a display of Ice Age mammal remains, including bones/casts of mastodons, stag moose, and more. The Ice Age Mammal exhibit will remain on display at the Nature Center through February 10.

Bring your rocks and gems for identification and prepare to have a rockin' good time.
