What happens when Chicago’s best improvisers are tossed head first into a medley of classic game shows? Come laugh your way through Second City’s Game Night and find out!

From celebrity-guessing to fill-in-the-blankety-blanks, charades to feuding families to improvised commercial breaks, the laughs come rapid-fire as host, Joey Bland, segues seamlessly from one game to the next. Have a special talent? Think your linguistic skills are better than most? Have something bizarre in your purse? Get on stage and change the game! Audiences participate at every turn, taking the show a different direction each night as the whip-smart cast toes the line between absurdity and genius in a way that only game shows and improv can achieve.

The Second City's Game Night is at 8:00 pm on Friday, January 27, 2017 at The Renaissance - Main Stage.
