**PUPPETRY IN THE GALLERY – Valentine's Puppet Show**

Families are invited to join Barbara Damron of Queen Bee Puppetry as she brings two love stories to life in the Main Gallery upstairs at the Mansfield Art Center.

In the Princess on the Pea, an Anderson fairy tale, glove puppets will help tell the story of a prince in search of his true princess. The Elephant and the Butterfly is a fairy tale written by E.E. Cummings for his daughter when she was a very little girl.  In this story, two very different puppet animals fall head over heels in love!

This 45 minute performance is free and open to children and all those young at heart.  This

puppet show will take place in the Main Gallery upstairs.

No registration required. Children and adults of all ages are welcome!

**Saturday, February 11th**
**11:30am-12:30pm**
**FREE**
**Ages: 2yrs+**
