Join us for a day of volunteering and grilling out at the Bike Trail Mural!

Looking for a Sunday stroll? The B&O Bike Trail provides over 18 miles of scenic beauty in nature, connecting multiple small towns.

Maybe you've never been to this mural site, and would like to see it for the first time. Maybe you've seen it, or even helped paint it!

We will be working together to continue the beautification here, in this prime area of community improvement.

'6:07AM' was created by artist Mark Calloway, and the amazing help of volunteers, artists, families, and friends, as a project through Mankind Murals Inc a 501(c)3 Nonprofit. Thanks to the Richland County Foundation for the sponsorship of the Mural, to Richland Public Health for the Bench, to community leader Bill Baker for helping channel rainwater to the river, and to Lori Cope and the City of Mansfield for paving the erosion gap making it safer for bicyclists and runners. Let's all get together and celebrate our achievements, and continue improving this B&O Bike Trail Park!

Two areas of easy access:

North Lake Park, a leisurely .5 mile stroll or bike trip to the Mural Bridge from the Mansfield end of the Bike Trail.

Behind the Tyger Stadium Bus Garage on 4th Street, a small access route to the Bike Trail near the Mural Bridge.

Oh, and did we mention we're grilling?

Please let us know you'll attend!

See you at the Bike Trail!
