Integrated Theatre Company Showcase at The Renaissance Theatre

2017-06-20 06:56:12 by MelissaH0243

The students of the Integrated Theatre Company join forces with Zoot Theatre Company (Dayton, Ohio) to present an original script composed in part by students.

Zoot's professional actors will take the stage with the Integrated Theatre Company and their all-original moving puppets to tell a story that combines the visual, theatre, and literary arts into a feast for the eyes and for the imagination.
