Slow Roll Through Woodland! Slow Roll Mansfield is about: Building Community through Cycling.

Join them at Wiener King's "fall-burn-out" car and bike show from 4-6, where they will begin to gather, to roll out at 6:30. This ride will take you back into the Woodland area where the riders will determine the route by popular demand! Wear your favorite Concert Tee, break out your funky wig, or punk out! Lights and music add to the event, helmets recommended, ride at your own risk--chances are, YOU WILL HAVE FUN!

This will be the second Woodland Rock'n'Roll of the season. Depending on random course selections, be prepared to tour the former site of the Dickson Ave. gardens, the Westinghouse Home of Tomorrow (circa 1934!) and other beautiful homes. Additionally, this is a fairly "flat" ride. Come join the fun!
