

Murder Mystery Clue at Brownella Cottage

2017-10-11 19:17:15 by MelissaH0243

Your job, if you choose to accept it, is to help detectives determine who murdered the caretaker, with what weapon, and in what room the murder took place.

It is a "live" version of the Clue board game you might have played years ago and it is FUN! Lights on, you will meet the suspects. Lights off, you will attempt to solve the crime. Flashlights are provided, thanks to Fox Plumbing.

Four nights, two sessions each night.
