2017-11-10 14:36:06 by MelissaH0243

Does Bigfoot exist in Ohio? Have there been sightings in Richland county?

Come join veteran Ohio BFRO (bfro.net) researcher Marc DeWerth at the Ontario Branch Library as he shares his stories and experiences from throughout Ohio.

Marc has been actively investigating Bigfoot reports in the Buckeye state since 1989 and has interviewed well over 300 alleged eyewitnesses. He will share with you some of the most

compelling audio evidence from Ohio including a few recordings from his research area from less than two weeks ago.

There will be plenty of Bigfoot items to come check out and many door prizes to win if you decide to attend. His lecture will start promptly at 1 PM. This is a "family friendly" lecture and kids are very encouraged to attend.

FREE to attend!
