

5th Annual Richland County Park District Rock and Fossil Day

2018-04-03 16:26:00 by Event_Editor

Join us for the 5th Annual Richland County Park District Rock & Fossil Day!

This event is free and open to the public. All activities will be held at the Gorman Nature Center.

Displays of rocks, fossils, semi precious stone, minerals and jewelry!

Geologist Tom Kottyan speaks on Native Copper & Secondary Copper Minerals at 12:00 o'clock!

Visitors are welcome to preview the Fluorescent Mineral Booth and bring your Rocks and Fossils for Identification.

The event also features a Creek Fossil Hunt, Free Stuff for the Kids, other Interesting Speakers, and lots of Vendors including our very local rock shop and site sponsor StarStuff.Rocks.

Saturday, May 12th
11:00am thru 3:00pm

Gorman Nature Center
2295 Lexington Ave.
Mansfield, Ohio 44904

For more information call: 419-884-3764
