

17th Annual Mohican Wildlife Weekend at Malabar Farm State Park

2018-04-23 21:50:01 by

Learn about "Ohio's Pollinators" with activities about flora and fauna that promote and attract pollinators such as bees, butterflies and bats. Activities are presented at many different locations throughout the Mohican area.

Wildflower Hike Saturday, April 28th 8am-10am FREE Registration Required
Follow through a wonderful world of wildflowers with Malabar volunteer, Glenn Ertel as your guide!

The event is free but spots are limited! Call to Register! 419-892-2784

Ohio's Bats Saturday, April 28th 10am-11am FREE No Registration Required
Ohio's Bats are interesting! Learn more by attending this informational session in the conference room about our native bats, their existence and how humans fit in.

No registration is required but seats will be limited.

Vernal Pool Study Saturday, April 28th 11am - 12:30 FREE No Registration Required
Malabar Farm has a unique vernal pool - an excellent opportunity to learn more about the species and organisms who call it home. This hands-on program is good for explorers of all ages!

Free, no registration required!

Mushroom Hike Saturday & Sunday, April 29th & 30th Sat: 2pm-4pm, Sun:10am-12pm
FREE Preregistration is Required

More than just morels! Mingle through a magnificent world of mushrooms! Follow tour guide and mushroom & fungi enthusiast, Lori Morey, on a hike around Malabar to learn about these unique lifeforms; finding them, their purposes, which ones are edible and more!

The program is free but preregistration is required, call 419-892-2784.

Wildlife Barn Dance Saturday, April 28th 7pm - 10pm \$1.00 Donation Requested at the door for ages 12+

Continuing a Bromfield tradition, Square & Line Dancing with live music and caller. Beginners are welcome! Food concessions available.

Birding Hike Sunday, April 29th 1pm-3pm FREE Pre-registration preferred

Bring your binoculars and camera to explore the many birds that call Malabar home.

The program is free but preregistration is preferred, call 419-892-2784.

Butterflies & Skippers Program Sunday, April 29th 3:30pm-4:30pm FREE No Registration Required, Space Limited

Explore the diversity of Ohio's Butterfly and Skipper species! These beauties are not only pleasing to the eye, but also an important part of the ecosystem. Join Malabar volunteer, Wild Ginger, to learn about these fascinating creatures and creating habitats to attract and support them.

FREE! No registration required, but space is limited.

Grass Caterpillar Children's Activity Saturday & Sunday, April 28th & 29th 12pm-4pm FREE

Make a grass caterpillar to take home and watch grow!

FREE! No registration required.
