Pollinators for Beginners with Richland Soil and Water Conservation District

2018-04-30 17:47:09 by MelissaH0243

Please join us and a representative from the Ohio Department of Natural Resources for this program on pollinators.

Learn about the monarch butterfly and their population decline, what we can do to help and their habitat needs. We will also have packets of milkweed seed to give away. The seeds are from the milkweed seed pod collection that was held in the fall.

This is a free event open to the public.

Contact Theresa at 419.747.8685 with questions.

Wednesday, May 2nd

6:30pm-8:00pm

Richland Soil and Water Conservation District
1495 W. Longview Ave., Ste. 205B, Mansfield
