2018 Kingwood Spring Flower Show at Kingwood Center Gardens

The Spring Flower Show has been held for over 50 years at Kingwood. This judged show creates a wonderful opportunity for the public to show off their gardening and artistic skills. It is also a good way for visitors to see new plants and ideas, and to talk with area gardeners.

The Spring Flower Show is a judged flower show open to the public. It is open to both adults and children to bring their best horticultural specimens and artistic designs for judging, or to just view and experience.

Each year a different theme is chosen in which the artistic design categories and staging follow. This year's theme is “Bees, Butterflies, & Bugs”.
