Intermediate and advanced paranormal enthusiasts are welcome to join other experienced ghost hunters at one of the nations most notoriously haunted locations for an intensive, 8-hour overnight ghost hunt.

Those looking for an authentic paranormal investigation will enjoy the privilege of extended access to the 250,00 sq. ft building, the quiet and visceral environment, and the feeling of exclusivity of the space as the number of participants is kept intentionally intimate.

Saturday, June 16th
7:00pm-3:00am

Intermediate to advanced ghost hunters who have completed at least 3 paranormal investigators either at the Ohio State Reformatory or elsewhere in a formal setting. Must have a working knowledge of ghost hunting practices, etiquette, and equipment.

I/A Ghost Hunts are offered on select Fridays and Saturdays throughout the year. Tickets are $100.00 per person. Participants arrive between 6:00pm and 7:00pm to complete registration. Interested investigators are welcome to join a knowledgeable tour guide on a 1-hour tour of the facility to better understand the footprint of the building and to hear the stories of the most documented hot-spots. This tour is optional and participants may choose to tour the facility for themselves, especially if prior participation in an OSR hunt has been achieved. Pizza dinner is served between 9:00pm-10:00pm in a centrally located area. Independent investigation time is available until 3:00am.

I/A Ghost Hunts have exclusive access to 80% of the abandoned prison including the following areas which are ONLY accessible during an I/A Hunt: original commissary, sub-basement (original solitary), and the Quarter Masters area. The main areas of investigation include the West Cell Block, East Cell Block, solitary confinement, shower rooms, infirmary, chapel, Warden’s living quarters, and chaplains areas.

All participants will be required to sign in at check in and present a valid photo ID.

Why should you book a ghost hunt at OSR?

Ghost Hunters from around the world flock to the Ohio State Reformatory to become part of the paranormal legacy that has been so present over the course of the last 20 years of investigating at the prison. Documented shadow figures, light anomalies, quality EVPs, and full-bodied apparitions have been reported as well as the unique cases of scratching and other aggressive tendencies. While we at the Reformatory have collected these stories, we do not promote aggressive ghost hunting or intentional provoking. First and foremost we make every effort to sustain a positive and safe environment for paranormal investigators.
