Join Abby for a night that will brighten up your life by learning about bioluminescent bugs like fireflies.

There will be many activities as well as a night hike with black lights to see these creatures in action.

Saturday, June 16th
8:30pm-9:30pm

All ages are welcome; however, the night hike can be difficult for younger kids who have a fear of the dark.

For more information contact the Crawford Park District office at 419-683-9000.
