

Night Hike-Nocturnal Animals with the Crawford Park District's Lowe-Volk Park

2018-07-17 17:54:35 by MelissaH0243

The night comes alive with animals that can only be seen or heard after the sun sets.

Join Abby to learn about Ohio's nocturnal animals while going on a night hike in search of those nocturnal creatures. You may even get a chance to meet a screech owl!

Saturday, July 21st
8:30pm-10:00pm

All ages are welcome; however, the night hike can be difficult for younger kids who have a fear of the dark.

For more information contact the Crawford Park District office at 419-683-9000.
