

Viewing the Night Sky at Lowe-Volk Park

2018-08-23 17:46:48 by MelissaH0243

Join Crawford Park District Volunteers and members of the Lowe-Volk Astronomy Club as they share their knowledge and telescope skills with all who are interested in the celestial sights.

Targets for the summer include: M-104 Sombrero Galaxy, M-3 Globular Cluster, Rosette Nebula, and Jupiter. Bring your own telescope or allow the volunteers to assist you with those provided. It's a spectacular universe!

Saturday, August 25th

9:00pm-10:00pm

For more information contact the Crawford Park District office at 419-683-9000.

Crawford Park District
Lowe-Volk Park Nature Center
2401 SR 598, Crestline

Lowe-Volk Park is located 3 miles north of US Route 30.
