It's alive! The electrifying adaptation of Mel Brooks' monstrously funny film will leave you in stitches.

Grandson of the infamous Victor Frankenstein, Frederick Frankenstein inherits his family's estate in Transylvania. With the help of a hunchbacked side-kick, Igor, and a leggy lab assistant, Inga, Frederick finds himself in the mad scientist shoes of his ancestors. "It's alive!" he exclaims as he brings to life a creature to rival his grandfather's. Eventually, of course, the monster escapes and hilarity continuously abounds. With such memorable tunes as "The Transylvania Mania," "He Vas My Boyfriend" and "Puttin' on the Ritz," Young Frankenstein is scientifically proven, monstrously good entertainment.
