A promotional banner for StarStuff.Rocks. The top left features a holly leaf and berries. The main text reads "SMALL BUSINESS SATURDAY" in large white letters, followed by "Crystals, Geodes, Candle Holders, Agate, Fossils & More!" in yellow. Below that, "Over 10 Tons Of Semi-Precious Stone" is written in orange. The StarStuff.Rocks logo is on the left, with a small note about a special offer. The central text says "FREE SALT LAMP" in large red letters, with "with purchase of \$100 or more!" in smaller red text below it. A note specifies the offer is for standard sized lamps between 4-7 lbs with bulb and cord, one lamp per customer per day. The address "371 Marion Ave, Mansfield, 44903" is in green. On the right, a "BLOWOUT SALE" graphic is shown. The bottom of the banner displays various items: a wooden candle holder with colorful salt lamps, a large blue and white geode, several purple crystal clusters, and several glowing orange salt lamps.

Unique materials for the collector as well as many common retail gift ideas.
