Have you heard the dark, harrowing stories of the Historic Ohio State Reformatory? Now is the time to experience the sinister tales for your self.

Get your adrenaline pumping by exploring the 130-year-old Gothic structure, with the guidance of experienced ghost hunters as they take you to 4 hot spots in the decommissioned prison.

Saturday, November 17th
7:00pm-3:00am

Our ghostly guides will show you how to test the limits of paranormal investigating, including interaction with entities or spirits, documenting encounters, and basic use of ghost hunting equipment. After pizza has been served, you will be set out on your own to test your newly acquired skills. Independent investigating will go until 3 am. OSR staff will be available all evening for assistance. Above all, we want all participants to have a positive and safe evening.

There are endless areas for investigation in the 250,000 square feet of the facility. Walk the range on the sixth tier of the worlds largest free-standing cell block or sit in the warden's bedroom where his wife sustained a mortal gunshot wound. Other areas include West Cell Block, Solitary Confinement, Chapel, and Administration.

Ghost Hunt Challenge is offered on select Fridays and Saturdays throughout the year. Tickets are $70.00 per person. Participants arrive between 6:00pm and 7:00pm to complete registration. The Challenge will begin at 7:30pm with an in-depth exploration of four of the hottest paranormal spots of the facility. Pizza will be served at 10:00pm and access to the building will begin at 10:30pm. Independent investigating will continue until 3:00am.

Ghost Hunt equipment will be available for rent and purchase during the investigation. Items include Spirit Box, EVP Wristbands, Rook EMF, and Laser Grids.

All participants will be required to sign in at check in and present a valid photo ID.

Why should you book a ghost hunt at OSR?

Ghost Hunters from around the world flock to the Ohio State Reformatory to become part of the paranormal legacy that has been so present over the course of the last 20 years of investigating at the prison. Documented shadow figures, light anomalies, quality EVPs, and full-bodied apparitions have been reported as well as the unique cases of scratching and other aggressive tendencies. While we at the Reformatory have collected these stories, we do not promote aggressive ghost hunting or intentional provoking. First and foremost we make every effort to sustain a positive and safe environment for paranormal investigators.
