

2nd Annual Pollinator Festival At Gorman Nature Center

2016-06-16 23:44:09 by Event_Editor

The 2nd Annual Pollinator Festival will take place at the Gorman Nature Center on Saturday June 25th & Sunday June 26th from 10AM - 5PM.

Guests will learn about our native pollinators including moths, butterflies, hummingbirds, wasps and bees. A wide variety of hikes and programs on identification of native plants will be offered. Native plants will also be available for purchase.

Call the Gorman Nature Center for more information @ 419- 884-3764.
